Youth Prevention Specialist (YPS) - Job Description

Position Objective:

To provide services that promote a proactive process to address health and wellness for individuals, families, and communities by enhancing protective factors that increase knowledge, skills, and attitudes for making healthy choices. Selective prevention strategies target subgroups known to be at higher risk for substance use and misuse than the general population. Youth Prevention Selective services will address the State's four prevention priorities: underage alcohol use, tobacco and nicotine products, marijuana and other cannabinoids, and prescription drug misuse.

Position Description:

This is a full-time position; 40 flexible hours a week to meet the needs of the community; some weekends required. Local travel required, and in-state travel occasional. Base salary starts at \$35,000/year + benefits. Supervised by the Program Director and the Executive Director, the Youth Prevention Specialist works in schools and communities to facilitate substance abuse prevention services based on the Center for Substance Abuse Prevention Strategies, which include:

1. Prevention Education
2. Alternative Activities
3. Information Dissemination
4. Problem Identification and Referral
5. Community-Based Process
6. Environmental and Social Policy

Required Qualifications / Credentials / Training:

- Bachelor's Degree in Education, Counseling, Social Work, Sociology, Psychology, Health, or related field is required.
- Pre-employment, and annual criminal background check, TB testing and drug screening are required.
- In-House HCOC training is required in the allotted time outlined in the Employee Handbook.
- Evidence-based curriculum training must be obtained prior to independent service delivery.
- Cardio-Pulmonary Resuscitation (CPR) and First Aid Certifications must be obtained within 2 months of employment, and certifications must always remain current. Failure to comply will result in being sent home on leave until they are completed.
- 15-hour Prevention Training must be completed within 6 months of employment, and annually thereafter.
- Minimum of 15 hours of Prevention Continuing Education Units (CEUs) annually that address the six Prevention Domains.
- Minimum of Associate Prevention Specialist (APS) credential must be obtained within 18 months of employment.
- Substance Abuse Prevention Skills Training (SAPST) must be completed within 18 months of employment.

Preferred Experience / Skills / Training:

- Certified Prevention Specialist (CPS) credential and prior substance abuse prevention training are preferred.
- Experience working with youth in school or community setting is preferred. (Substance abuse prevention specialist, social worker, teacher, youth pastor, counselor, etc.)
- Experience in public speaking is preferred, and prior curriculum implementation is a plus.
- Experience in multi-cultural environments is preferred and bi-lingual in English and Spanish is a plus.
